Please take time to communicate

I have aphasia, a
communication
disorder.

My intelligence is intact.
I am not drunk, or
mentally unstable.

How you can help?

Give me time to communicate.
Speak simply and directly to me.
Do not shout, it doesn't help.
Ask yes/no questions.

(Check those that apply)

- Speaking takes a little more time.
 - Speaking is very difficult.
 - Comprehending speech is difficult.
 - Use simple drawings.
 - Writing key words helps.
 - Numbers are difficult for me.
